EDGARLEY HALL

NOTES

Well done to everyone who turned out at Edgarley - especially to the 315 young runners who completed the course. This is the third largest number we have ever seen in the league (after the first and second fixtures this winter). A big welcome goes to Springmead Preparatory School (Frome).

Please can everyone have a good look through the results. There was some confusion at the finish of the Lower Boys race. I think I have managed to piece together the correct finishing order, but please get in touch if I have missed anyone. I do have 241 and 329 finishing twice, so there must be someone with a similar number who does not appear on the lists. I am also still missing a name to go with runner 748 in the Upper Boys category.

Finally a big "thank-you" to Millfield Junior School for hosting the league and providing a great course.
